## Community Police Stations CASA (Citizens are Security Aware) Program - Signup

The Delta Community Police Station Volunteers will conduct home security checks while you are away. These volunteers will randomly do perimeter checks of your residence ensuring doors and windows are secured. **It is important to note that the volunteers will not be picking up mail or newspapers left outside the residence.** Please make arrangements with a neighbour or cancel your subscriptions. The presence of our volunteers at various premises has proven to reduce the percentage of break and enters and robberies in the Delta community.
