### Delta Police Student Police Academy 2010 – Applications being accepted until March 24<sup>th</sup> 2010

The Delta Police are currently in the process of selecting twenty grade 11 and 12 Delta students to participate in the fourth annual Delta Police Department Student Police Academy. The program has been designed to expose students who are interested in a career in policing to the realities of police work and training.

The week long syllabus is modeled after the training which is received by police recruits at the Justice Institute. They will learn about criminal and traffic laws and problem solving, receive physical training and instruction in use of force, advanced driving and firearms. They will participate in scenario based education that will simulate actual police calls for service.

Ultimately, they will leave with an understanding of what a career in policing is about. They will realize the commitment involved, identify the lifestyle changes incurred and recognize the satisfaction gained from employment dedicated to public service.

Their studies will commence on Monday July 05<sup>th</sup> 2010 and conclude on Tuesday July 13<sup>th</sup> 2010. Student Police Academy participants will graduate in front of their friends and families on July 13<sup>th</sup> and receive a certificate from Delta Police Chief Constable, Jim Cessford.

The deadline in which applications will be accepted is **Wednesday March 24, 2009**. Applications are available at the Secondary schools in Delta and are to be submitted to the School Liaison Officer(s). Students are encouraged to contact their school counselor to obtain an application package. Applications and information can also be found on the Delta Police website; [www.deltapolice.ca](http://www.deltapolice.ca).

The Delta Police will consider students from other jurisdictions if we are unable to fill the seats by Delta students. For those applying from outside of Delta please contact S/Sgt Mike Van Hove at (604)946 4411

For further information please contact your School Liaison Officer of your respective schools.
