

The Delta Police Department has developed a new strategic plan that will guide the organization over the next five years. Here's how we did it:

WE LISTENED

1

WE ASKED OUR PARTNERS:

What are your biggest public safety challenges?

2

WE ASKED OUR PEOPLE:

What do you see as challenges facing policing?

3

WE ASKED OUR COMMUNITY:

We conducted public surveys and social media outreach

WE HEARD

WHAT OUR PARTNERS WOULD LIKE

- increased police engagement
- increased sense of ownership by the police
- increased visibility by the police

WHAT OUR PEOPLE WOULD LIKE

- training
- development
- succession planning
- wellness

WHAT THE COMMUNITY SEES AS PUBLIC SAFETY ISSUES

- traffic and pedestrian safety including pedestrians
- drug issues (opioid crisis)
- property crime

WE DEVELOPED
