## EDIU LIBRARY

---

In order to better serve you in the Equity, Diversity, and Inclusion Unit (EDIU), we like to ask the people and groups we meet with what they're reading, watching, and listening to right now, then assign it to ourselves as homework.

Some books have been graciously donated, and others we've purchased ourselves, but all are available in the EDIU for DPD employees, friends, and family to borrow in an effort to expand our diversity of thought.

The following list is updated quarterly, and if you'd like to share a suggestion with us, please send it to [EDIU@deltapolice.ca](mailto:EDIU@deltapolice.ca)
